LED Medical Lighting

- ***StarTrol***™ LED Medical Lights produce a bright white light, (94+ CRI and 4500K), ideal for true color rendition.
- ***StarTrol***™ LED Medical Lights are durable, precision machined and feature a stellar 10-year warranty.
- ***StarTrol***™ Lights are fully enclosed, for easy clean ability, and have an anodized aluminum handle.
- ***StarTrol***™ lights are cool and comfortable to work under, with virtually no radiant heat being generated by the LEDs.
- ***StarTrol***™ lights are energy efficient, using less than one-third the energy of a halogen light, and requires minimal maintenance.
- Primary pivot points feature unlimited rotation.
- Available in Mobile, Wall Mount and Single or Dual ceiling configurations.
- Proudly made in the United States of America.

StarTrol™ features:

- Energy-efficient and Eco-friendly
- Bright, natural white light
- 10-year limited warranty
- Cool to work under
- 50,000 hours of LED life
- Infinite variable positioning
- Multi-level dimming
